

Kansas
2021 AG SUMMIT
GROW SMARTER. GROW STRONGER. GROW KANSAS.

Soybeans and Other Oilseeds Sector

Tuesday, July 27, 2021

8:30-10:00 a.m.

Welcome	KDA Office of the Secretary
Sector Welcome	Dana Ladner Compliance Education Coordinator, KDA
Overview of Sector	Dr. Jeanette Thurston, Kansas State University

High priority outcomes, opportunities, and challenges: How can we work differently to advance our progress in meeting our high priority outcomes?

Research and Development – Dr. Marty Draper, Kansas State University
Education and Outreach – Dr. Jason Ellis, Kansas State University
Expanded Markets – Dr. Carlos Campabadal, International Grains Program
Facilities – Mr. Kaleb Little, CEO KS Soybean
Soybean Producer – Nicole Rezac Harrison, Onaga

Facilitated Breakout Sessions

- Actively address high priority outcomes identified during the 2020 KS Ag Summit and identify additional opportunities and challenges not addressed during panel discussion.
- Identify who (individuals, organizations, associations, academic) needs to work on the objective and what resources are needed for success toward achieving the outcome.
- What specific actions among identified partners needs to occur to move forward?

Report Outs

Economic Outlook	Dr. Allen Featherstone, Kansas State University
Session Adjournment	Dana Ladner, KDA

Thank You
