

Thanks to the 2020 Kansas Ag Heroes!

Haskell County 4-H Ambassadors

Ashley Kennedy, Sean Wagner, Dalton Winfrey, Kara Kunselman, and Bailey Briggs

When the COVID-19 pandemic caused the cancellation of the Haskell County spring livestock show, these 4-H Ambassadors were inspired to convert it to a virtual livestock show. They identified the technology, created the online registration, handled fees digitally and promoted the event on social media.

The show was open to 4-H and FFA members across Kansas and was a huge success with 221 head of livestock entered.
