

## Thanks to the 2020 Kansas Ag Heroes!

### Mark Pringle

I am pleased to hear of the Kansas Department of Agriculture's Kansas Agriculture Heroes Program. Kansas farmers, ranchers, and agribusinesses are vital to a productive Kansas economy and keep food on the tables of people worldwide.

Of the farmers I've met in Kansas, I urge you to recognize Mark Pringle of Yates Center, KS.

Mark is a fourth-generation family farmer from Woodson County. He and his wife Mary Jane (RN; an essential worker herself!) farm with Mark's father Lauren. Mark graduated from Emporia State University with a degree in Business Administration and has worked in Kansas to serve others and better his community. Mark completed post-grad courses in Environmental Sustainability and is an advocate for environmental improvement. Mark is also a Farm Bureau member.
