ATTACH METROLOGY LAB CERTIFICATION REPORT(S) TO APPLICATION

NOTE: Certificates issued by the Kansas Metrology Laboratory do not need to be attached to the application.

I hereby agree that if this application is approved and the license is granted, this company will not install, certify for commercial use, remove rejection tags from, or place into service a weighing or measuring device unless the device is correct (i.e. in full compliance with NIST Handbook 44 and meets all Kansas laws and regulations). No person in my employ will be allowed to inspect or test weighing or measuring devices unless they are licensed technical representative.

I hereby agree to submit completed calibration test reports and DI-701 forms to the Weights and Measures Office within $\underline{10}$ days of the inspection/testing of a weighing or measuring device. Copies of the completed calibration test reports and DI-701 forms will be left with the facility at the time of inspection.

I hereby agree that this company will notify the Weights and Measures Office within 48 hours of any attempt to calibrate, repair, or adjust a measuring or weighing device that cannot be certified as conforming with all applicable tolerances, specifications, and requirements of the law.

I further agree that the Kansas Department of Agriculture may suspend or revoke my license for good cause, <u>WHICH MAY INCLUDE DECEPTIVE BUSINESS PRACTICES</u>, after a hearing thereon. Should my license be suspended or revoked, I will surrender it immediately to the Weights and Measures Office.
