TECHNICAL REPRESENTATIVE THREE-YEAR LICENSE APPLICATION
LICENSE PERIOD: JULY 1, 2023 – JUNE 30, 2026

Beginning on July 1, 2017, each technical representative who has had 10 years of continuous licensure with no administrative enforcement action adjudicated against such technical representative during such 10- year period shall be eligible to obtain a three-year license.

Technical representatives with 10+ years of experience in one or more device categories may be approved for a three-year license for device categories where they have less than 10 years of experience. KDA may require an audit of the technician’s work in the device categories where they have less than 10 years of experience.

The three-year license fee is \$300 per device category for the three-year license period beginning July 1, 2022. **DO NOT SEND PAYMENT WITH THE THREE-YEAR APPLICATION.** If your application is approved, the Division of Weights and Measures will send an invoice to the service company address provided below.

TECHNICAL REPRESENTATIVE OR SERVICE TECHNICIAN 3 YEAR LICENSE APPLICATION:
Permits 1) removal of rejection tags placed on weighing and measuring devices by the State of Kansas Weights and Measures officials; 2) place in service repaired devices which have been previously rejected; 3) place in service newly installed devices; 4) perform annual testing of commercial devices as required by Kansas law.

Licensed Technical Representatives Must Work for a Licensed Service Company. If the service company employing the licensed technical representative has allowed their company license to expire, the technical representative license shall be considered inactive.

Do you have available a current copy of the NIST Handbook 44? **2012** Yes No

I hereby agree that if this application is approved and the Registration and Permit granted, I will not remove Rejection Tags from a device nor issue a Device Installation Report (DI-701) unless I find, as a result of inspection and test, that the device meets all of the requirements of the laws, specifications, tolerances, rules and regulations applicable to same. I further agree that the Kansas Department of Agriculture may cancel my Registration and revoke my Permit for good cause, after a hearing thereon. Should my Registration be cancelled and my Permit revoked, I will surrender my Registration Certificate to the Department immediately.
