

Kansas Agriculture Skills & Competencies Certificate

The Kansas Agriculture Skills and Competencies Certificate documents skills and competencies gained by student participation in agricultural education. The program is an opportunity to quantify and qualify skills gained through the completion of all three segments of the agriculture education model.

During the next five years, U.S. college graduates will find good employment opportunities if they have expertise in food, agriculture, renewable natural resources, or the environment. Between 2015 and 2020, it is expected there will be an average of 57,900 annual openings for graduates with bachelor's or higher degrees in those areas.

Certificate Requirements

1. Must have completed three high school agriculture education courses
2. Must be an FFA member for at least 24 months at time of application
3. Complete either of the following Supervised Agricultural Experience (SAE) documentation:
 - a. Submitted district proficiency award application
 - b. Earned State FFA Degree
4. Cumulative GPA of 2.5 or higher in all courses, not just agriculture courses
5. Participate in one FFA leadership event or Career Development Event (CDE) above the chapter level and one technical FFA CDE above the chapter level, listed as a Qualifying Competencies support document
6. Satisfactorily complete the cPass Comprehensive Agriculture Assessment. The level considered satisfactory will be determined by the KSDE Education Program Consultant, in consultation with KDA.
7. Students are asked to describe at least five skills and competencies they have gained technically and personally from agriculture education curriculum. Refer to the Examples of Pathway Skills support document for examples of pathway skills.

This certificate has been endorsed by the Kansas agricultural community, including Kansas FFA Foundation, Kansas Farm Bureau, Kansas Grain & Feed Association, Kansas Livestock Association and other industry organizations and employers.

The Kansas Department of Agriculture will receive applications anytime during the academic year. All applications should be submitted upon completion, but the annual deadline is **May 1**.

For an electronic application and support documents, please visit agriculture.ks.gov/ageducation under the Kansas Agriculture Skills & Competencies list. Applications may only be mailed to the following address:
