Instructions

Section A

If the Water Structures Number (WSN) is unknown, contact the Division of Water Resources at (785) 564-6650.

Tract, section, township, and range (can be obtained through the Division of Water Resources), for example:

SW $\frac{1}{4}$ of the SE $\frac{1}{4}$ of the SW $\frac{1}{4}$
Section 22, Township 15 South, Range 3 East

Section B

Person responsible for contacting individuals in Section C, in the event of an emergency.

Section C

Local emergency personnel to be notified in the event of an emergency, which may include local police, sheriff, highway patrol, and county emergency management staff. This information depends on the location of the dam.

Section D

Provided on form.

Section E

Names, addresses, and phone numbers of individuals, businesses, railroads, utilities, or highways immediately downstream who would be impacted by a dam failure.

Section F

Includes owner(s) of the dam.

Section G

Person (owner, tenant, employee, etc.) to contact regarding operation of the dam.

Section H

Person responsible for filling out this EAP template and their affiliation (i.e. owner of dam, NRCS, Engineer hired to prepare form, etc.)

A dam owner is required to review the Emergency Action Plan annually, including:

- (1) Contact names and related information
- (2) Breach inundation map or description of the inundation area
- (3) Emergency procedures

If any changes are made to the EAP, a revised copy must be submitted to the Chief Engineer at the Division of Water Resources. By mail to 1320 Research Park Drive Manhattan, KS 66502 or by email to KDA.Waterstructures@ks.gov.
