COMMENTS _____

PLEASE NOTE

- ~ Use a ballpoint pen.
- ~ ONLY record chemicals/pesticides applied through an irrigation system.
- ~ It is a violation of state and federal pesticide laws to apply products by chemigation which are not specifically labeled for chemigation.
- ~ Record only **TOTAL POUNDS (GROSS WEIGHT)** fertilizer product/blend, NOT actual pounds of each nutrient.
- ~ Plant Food Codes:
 N = Nitrogen
 P = Phosphorus
 K = Potassium
 S = Sulphur
 Zn = Zinc
 Mg = Magnesium
- * A.I. = Active Ingredient (Refer to Chemical Label)
