Hemp Producers (Growers)

Persons seeking to cultivate or produce industrial hemp must be licensed by the Kansas Department of Agriculture (KDA) as a commercial industrial hemp producer pursuant to K.S.A. 2-3901 et seq. 2021 commercial industrial hemp producer licenses expired December 31, 2021.

The application deadline for the 2022 growing season is March 15, 2022.

Hemp Processors

For a list of commercial industrial hemp processors pursuant to K.S.A 2-3907, please contact the [State Fire Marshal’s Office](#).

Kansas Open Records Act Request

Members of the public seeking contact information for the individuals or entities listed above are required to submit to KDA a request for such information pursuant to the Kansas Open Records Act. Open records requests can be completed online at agriculture.ks.gov/open-records-request.
